Course Registration:

Students will register and pay at their home school with their school counselor.
Students will not be registered until fees are paid.
There are no scholarships or free classes and there are not payment plans available.

Fees:

$250 per full credit for 16/17 HCS Students ***No Refunds after Registration***
$400 per full credit - Private and Other County Schools (send them to IA to register/pay)

EOC Tests (for courses requiring the EOC):

Students will take the EOC at their home school during either the summer testing session or the first available EOC test in August. Students will register for the summer EOC at the time of registration.

Summer School is a blended learning opportunity for students to retake courses or take courses for first-time credit. HCS offers students an online course during the summer but also provides face-to-face help from teachers at Impact Academy weekly. See the Impact Academy website for details for times and dates. ***www.henry.k12.ga.us/ia***
