Courage To BELIEVE Winning for ARMS

Mrs. Ashlee Wrighton, Ed.S, Assistant Principal

Mr. Major Jones, M.Ed, Assistant Principal

August 2, 2023

Greetings ARMS Family,

Welcome to a wonderful year at Austin Road Middle School! I am Tameca Lewis the Family Engagement Liaison (FEL). My role is to ensure that parents and families are provided with academic support and community resources that will assist in helping each scholar to thrive.

At ARMS, we cultivate an environment for creativity, innovation, and leadership where your scholar will exceed expectations everyday! We will help cultivate the same success for each parent or guardian in the Parent & Family Resource Center. The resource center has valuable parenting and volunteer information, monthly event calendars, parent academic brochures, and a Parent Lending Library (books and manipulatives). There are computers available where parents & families can access the Infinite Campus Parent Portal to view scholar's grades online and career search. In addition, upcoming information on parent workshops and meetings will be posted in the resource center and on the Family Engagement webpage. Contact me anytime, and I would love to share some resources with you.

See you soon,

Tameca Lewis
