

Principal Message from Dr. Barkley

Dear LES Parents:

As we step into the month of March, I want to take a moment to express my heartfelt gratitude for your unwavering support and dedication to your child's education. As partners in this journey, we are united by a common goal: to nurture and empower our children to reach their fullest potential.

March brings with it a sense of renewal and possibility. Just as the flowers begin to bloom and the days grow longer, let us also encourage our children to blossom and thrive in every aspect of their lives. Let us instill in them the values of resilience, perseverance, and compassion, guiding them to navigate challenges with courage and grace.

Together, let us continue to inspire our children to dream big, to embrace diversity, and to make a positive difference in the world. With your support and our collective efforts, there is no limit to what they can achieve.

Thank you for entrusting us with the privilege of educating your precious children. May this month be filled with joy, growth, and endless possibilities for your family.
