

Exploring Your Future with “Career Cruising” Web Program

Location: www.careercruising.com

User Name: ugms

Password: wolverines

“Portfolio”

You can save the results of your work on Career Cruising to create a personalized file of your own career interests and school searches. You can pull up your file at any time from anywhere online and make changes and additions to your Portfolio.

“Career Matchmaker”

Use this section to survey your unique interests and abilities and find out which careers may be especially for you!

“Explore Careers”

Use this section to search for different careers or to locate detailed information about a particular occupation. You can even interview people from various occupations.

“Explore Colleges & Universities”

Use this section to search for schools that have what you’re looking for or to locate detailed information about a particular school of your choice.

“And Lots More...”

Each time you visit; look for special articles and features.
