

Woodland Elementary Beliefs and Mission

Beliefs: -All children can learn -Children learn in different ways
-We, as educators, positively impact the academic and social growth of children.

Mission: Woodland Elementary makes the commitment to ensure academic growth for every child, every year.

Vision

Woodland Elementary students will rank among the top five academically achieving Henry County elementary schools.

Guiding Philosophy

**All decisions will be based on data.
Effective School Improvement is a community effort.
Improvement is continuous, strategic and intentional.**
