Dear Parents/Guardians:

Spring 2017 End of Grade Georgia Milestones Assessment System testing window opens soon and we are making final preparations for a successful testing season. Our testing window opens April 19<sup>th</sup>, 2017 and closes on May 3<sup>rd</sup>, 2017. As we finalize our plans for testing, we wanted to share some information with you.

We also want you to be aware that Henry County Schools will once again be testing 100% online for the 2016 – 2017 school year. The detailed testing window is outlined below.

If you have any questions, we invite you to visit the following websites and discuss these available resources with your child.

- Georgia Department of Education's site at: <http://www.gadoe.org/Curriculum-Instruction-and-Assessment/Assessment/Pages/Georgia-Milestones-Assessment-System.aspx>
- Experience Online Testing Georgia practice site at <http://www.gaexperienceonline.com/>
  - A website, called *Experience Online Testing Georgia*, has been established to provide an opportunity for students to become familiar with the online testing platform. This practice site does not require a log-in and is available 7 days a week. Importantly, this practice site is not designed as a "practice test" to measure a student's knowledge of course content and scores will not be generated. Again, it is intended to allow students to familiarize themselves with the online platform prior to testing.
- We will also establish practice sessions during the school day to provide students a similar opportunity to acquaint themselves with the online testing system.
