

Henry County Schools is In Pursuit of *Exceptional*

TAKING ACTION TO ADVANCE
OPPORTUNITIES | ACCESS | OUTCOMES
IN PURSUIT OF
AMBITIOUS GOALS

Imagine a day...

...when every student has access to a supported Pre-K program;

...when every elementary school has a robotics & coding program and a STEM lab;

...when every student has taken a band, orchestra, or chorus class;

...when every student has exposure to a world language program before they enter middle school;

...when every middle schooler has access to a computer science course or engineering pathway;

...when every middle schooler performs in the theater or learns to design the sets on computer software;

...when high school students choose HCS specifically for the Arts Education program;

...when every student develops financial literacy;

...when high school is the launching pad to post-secondary education and stable

When *Every* student...

...is reading at the appropriate level or above and when they are not, we have a clear plan to get them what they need...no exceptions, just *Exceptional* support.

...learns in a nurturing and supportive environment that fosters student health and well-being...no exceptions, just *Exceptional* access.

...graduates with college credit, industry certification, or work-based learning experience and has a solid post-graduation plan...no exceptions, just *Exceptional* futures.

...no exceptions, just

Exceptional

-

STRATEGIC ACTIONS to drive success:

1. Advance PreK-12 learning opportunities and experiences for all students.
 - Create a community of powerful readers and writers.
 - Increase exploration of, access to, and participation in advanced content coursework and experiences.
 - Expand Science, Technology, Engineering, & Mathematics (STEM) opportunities at every school, and across the district.
 - Expand Fine Arts at every school, and across the district.
 - Expand student knowledge and skills around wellness, well-being, and real-world connections along with access to the Academy for Advanced Studies, other academic academies, and world language programs
 - Establish firm partnerships with Henry County early childcare providers and other community partners.
 2. Advance effective school leadership and classroom instruction.
 - Establish aligned frameworks for highly effective schools, classrooms, leaders, teachers, and support professionals with a focus on positive culture and climate.
 - Advance school leadership capacity to lead instruction, data teaming, collaborative planning, school improvement, and community engagement.
 - Create a pipeline for district leaders, school leaders, certified teachers, and classified job families.
 - Build out school feeder-pattern K-12 clusters for the purpose of vertical articulation of academics, student and family experience, community engagement and outreach, and shared-civic leadership.
 3. Advance connectivity to value and engage all students, employees, families, and partners in our growing community.
 - Expand the Partners in Education Program ensuring that every school has (at least) a faith-based partner, a small business partner, and a civic organization partner.
 - Establish a comprehensive volunteer and mentoring program.
 - Establish a Henry County Schools "Welcome Center" for students and families new to HCS.
 - Ensure all students, families, and staff are welcomed and valued.
 - Create and incorporate a 501c-3 approved Henry County Schools Foundation.
 - Elevate systematic language services.
 - Elevate community partnerships with local and state inter-governmental agencies.
 - Build out adult education programming for HCS families to provide learning and skill development opportunities.
 4. Advance student and employee health, wellness, and support structures.
 - Establish a comprehensive school-wide counseling, academic and career coaching, and advisement program.
 - Establish a community health and wellness collaborative to invest in physical, emotional, academic, and mental health services, care, and resources for students.
 - Establish an employee wellness framework and wellness commitment.
 - Develop a continuum of services to ensure that every student is learning in a safe and healthy environment.
 5. Advance a High-Performing Operational Culture.
 - Acquire and implement an enterprise resource management system with the capability to integrate the processes of finance, human resources, procurement, and document storage.
 - Develop and implement a comprehensive data strategy and support structures.
 - Establish a basic equipment list and growth and replacement plan of basic equipment for every classroom, school common space, and office space.
 - Evaluate and update compensation and classification infrastructure and address position control, internal accountability processes, and new within job family career ladders.
 - Expand energy management plan across school district.
