HCS Families,

The Henry County Board of Education voted this afternoon to adopt a timeline and plan for the gradual return of students to the On-Campus Learning option that will be a part of the hybrid of options offered by Henry County Schools. Through the board’s action today, Henry County Schools will re-open the selection window for all families to choose whether their child will continue with Remote Learning or follow the phased-in approach to return to On-Campus Learning.

Family Selection Window

There will once again be an opt-in period starting today, August 31 and running through Wednesday, September 9. The selection form will be accessible through the Infinite Campus Parent Portal. Every family will need to make a selection for either Remote Learning or On-Campus Learning for each school-aged child in your family. A separate email notification with instructions for registering your family’s choice will be generated through Infinite Campus.

Thank you for your continued patience and flexibility as we navigate this season together as a community. We are eager to take the next steps to a healthy and safe start to responsibly re-opening campuses.

Sincerely,

Mary Elizabeth Davis
