

WHAT DOES THE ARMS FAMILY RESOURCE CENTER OFFER TO PARENTS AND FAMILIES FOR THE VIRTUAL SCHOOL TERM?

2020-2021

Although our learning techniques may have changed, our goals will continue to focus on partnerships with our scholars, parents and families to ensure all our scholars are provided with support, materials, and resources to enhance their academic journey here at Austin Road Middle School.

- We offer virtual workshops for parents, families, and guardians of ARMS students to find out the best ways to help their scholars with learning at home.
- We have academic resources available to parents and families. For example, if a student is having a problem in Math, Social Studies, Language Arts and Science we have workbooks and other materials for you to checkout to support with instruction to use at home.

Parents and Family members if you have any problems or concerns: Remember Your Voice Matters! We Need Your Input! Please let me know...

- What are some resources you will like see in our FRC that will benefit your child's education?
- What are some good times for you to attend our virtual workshops that we have to offer?
- What is the best way to contact you via phone calls or emails?

Thank you,

Tameca Lewis
