4. Approval of Minutes Chad Sheffield

5. Principal’s Agenda
 - Return to CAMPUS/COVID-19 Dashboard
 - Data was reviewed on Henry County’s website pertinent to COVID-19. You can look at the district and school levels.
 - Term 2 interim grade data
 - Mr. Shedd presented the Term 2 Interim Data. This is stressful; however, Ola’s failure data is significantly less than other schools in the district. The number is expected to decrease before the end of the term.
 - Reimagining teaching and learning in a pandemic
 - Mr. Shedd is incredibly proud of the teachers at Ola. We have to reimagine how teachers teach and how students learn. This is a national issue. We are all in this together – teachers, students, parents, and administrators.
 - Graduation
 - The district contracted with Atlanta Motor Speedway to host Class of 2021 graduations in May. OHS will graduate its class on Wednesday, May 19th.
 - Second semester conversation
 - What can we modify from an operational and instructional standpoint? Administrators are looking at different scenarios.
 - How can parents support the teachers? Perhaps by writing thank-you notes to teachers.
6. New Business
7. Adjourn

The meeting adjourned at 12:12. Happy Thanksgiving!
