

CONTINUOUS SCHOOL IMPROVEMENT PLAN

STOCKBRIDGE ELEMENTARY

Mission and Motto

Mission: The mission of Stockbridge Elementary is to ensure that all children achieve their maximum potential, academically as well as socially.

Motto: Striving, Exceeding, and Succeeding

Vision & Beliefs aligned to district priorities

We believe each and every

Learner:

- learns at a different pace
- has unique strengths, interests, passions and needs
- owns their data
- drives their instruction
- has a choice on how he/ she wants to achieve his/ her goals
- should be placed at the center of ALL learning decisions
- understands how he/ she learns best
- is responsible for his/ her learning
- can learn
- needs to be validated for the way he/ she learns

We believe each and every

Teacher:

- understands the importance of building relationships with each learner
- makes a commitment to each learner to prepare them for the changing world
- views each child as a learner
- understands how each learner learns best
- guides learners
- are facilitators not lecturers
- provides tools/ choices in a scaffold approach to lead learners to the ability to choose for themselves based on learning styles/needs
- views learners and community members as partners in the learning environment

We believe each and every PLC:

- includes all stakeholders and supports change
- supports the school's vision
- makes intentional plans
- recognizes, encourages, and supports change, risk-taking and innovation
- utilizes other schools and grade levels as a resource/ guide
- views all members are learners

School Performance Goals

- ✓ 100% of the classroom instruction will consistently incorporate research-based strategies that will increase rigor in the classroom and improve student achievement 5% increase in reading as measured by Georgia Milestones proficient and above.
- ✓ 100% of the classroom instruction will consistently incorporate research-based strategies that will increase rigor in the classroom and improve student achievement by 5% in Math as measured by Georgia Milestones proficient and above.
- ✓ Decrease by 10% the number of incidents involving discipline and increase a school culture aligned with the district's conceptual framework for unification around excellence in public education.
