Have you seen the Liberty Bell? It is a symbol of America. It is a very big bell.

The bell was made in 1753. It was rung to call people together. The bell cracked soon after it was made. People fixed the bell. Then the bell cracked again! It has not been rung since.

Now the bell hangs in a museum. It is in Philadelphia. That is a city in Pennsylvania. Many people visit the museum. They want to see the Liberty Bell. They also want to see the crack!
