Parent Portal

Don't forget to connect with us in the Infinite Campus parent portal! You will have access to your child's grades and view report cards. This is also a key communication tool used by school administration and county personnel.

Graded Assignments

We will give assessments in every content area every week. The grades will be posted on Infinite Campus. Please make sure you are checking often! Graded papers will be sent home each week in Thursday folders [beginning August 26th].

Homework

Homework begins next week! Work on getting into your new school routine. Read nightly and put the title of the book that you read in the agenda. Make sure the agenda is signed by a parent each night!
