## WEEK OF JANUARY 24, 2022

### iPads

Now that iPads are going home each night, please be sure to monitor your child when it is in use. These are school devices and should be treated as such in regard to how they are used. Many children have downloaded several apps that we do not use in the classroom. These apps take up space and drain the battery, especially when they run in the background. Please make sure to take care of these awesome technology resources.

### Upcoming Events

- 1/26 – 100<sup>th</sup> Day of School: Dress like you are 100 years old!
- 2/17 – Virtual Curriculum Night
- 2/21-2/25 – Winter Break

### COVID Reminders

Masks are required at school and on the bus. Please make sure your child has an extra just in case. Report to our clinic aide Mrs. Cosby if anyone in your family tests positive.
