Henry County Schools' Kindergarten provides learning experiences focused on the academic and social-emotional development of young children. It is designed to ensure that our youngest learners develop essential foundational skills and concepts needed to become successful students. This instructional program is delivered through a balanced model of instruction that focuses on the Henry County Teaching & Learning Standards and addresses Language and Literacy, Math, Social Studies, and Science, along with Art, Music, and Physical Education.

- Please allow up to 2 hours to complete the registration process.
- Parents will complete required forms and information and submit required documents.
- Bring your child with you to register.
- Child(ren) may complete a short readiness assessment.
- Contact the school for more information including registration hours.
