Mrs. Terry Belflower – *Assistant Principal*

NHE Remote Learning Behavior Expectations

As we continue our journey with remote learning, please review the following behavior expectations with your student. The digital classroom should be treated as an extension of the physical classroom. We appreciate all that you are doing to help ensure that your student continues to learn and be connected to our New Hope family.

Never give up! Always try your best and be an active participant in online time with your teacher. Your teacher will answer your questions about your assignments and help you with learning new material.

Help keep the online classroom free of distractions such as eating, making faces/noises, playing with toys, moving around the house, background noise/conversation, wearing inappropriate clothing, etc.

Extend courtesy and respect to everyone by using the microphone and chat box only when directed by the teacher.
