

MAP Assessment

DES will begin MAP testing Monday, August 31st with fifth grade students. Please check with your student's homeroom teacher or the DES website for his or her grade level test dates. This assessment is adaptive. It will adjust the questions it asks based upon the student's previous responses. This test will not affect grades. In fact, it's normal for students to only answer about half the questions correctly. *It is important for students to answer without help!* The MAP assessment helps teachers understand what students know today, so goals can be set to improve growth throughout the year. *These results will help us know what students are ready to learn.*

Prior to Test Day

1. Make sure your device has an internet connection
2. Disable pop-up blocking on your internet browser
3. Watch the MAP Growth [introduction video](#)
4. Take the practice test at practice.mapnwea.org
(Username: grow, Password: grow)

On Test Day

1. Minimize distractions for your child as much as possible
2. Provide a quiet testing environment
3. Make sure you have a way to communicate with the teacher/proctor during the test
4. Follow any additional instructions from the teacher/proctor

Two Parent Sessions are available for you to ask questions.

MAP Parent Session 1 Friday, August 28 @ 3:30 pm meet.google.com/srd-yynh-aus	MAP Parent Session 2 Monday, August 31 @ 8:15 am meet.google.com/uyy-ptxv-kks
