2021-2022

Final August 23, 2021

Pleasant Grove Elementary (PGE) has been identified as a Title I school as part of the ESSA (Every Student Succeeds Act). Title I is designed to support State and Local school reform efforts tied to challenging State academic Standards in order to reinforce and enhance efforts to improve teaching and learning for students. Title I programs must be based on effective means of improving student achievement and include strategies to support parental involvement. All Title I schools must jointly develop, with all parents, a written ...

Parent & Family Engagement Plan For Shared Student Success

What is it?

PGE values the contributions and involvement of parents. In order to establish an equal partnership for the common goal of improving student achievement this plan was developed.

It explains the different ways PGE will provide opportunities to support and improve parent engagement, and how parents can help plan and participate in activities and events to promote student learning at school and at home.

How is it revised?

Every Fall and Spring, parents are invited to attend Input meetings at PGE to review and revise the School Wide Plan, Title I budget, and the School-Parent Compact. During the year, at various workshops and events, PGE welcomes input and comments from parents/guardians on these items. All feedback during the school year, at Title I events, and at the input meetings, through online engagement and surveys is then used to revise the plan for the coming year!

Who is it for?

All students covered in the Title I, Part A program, and their families, are encouraged and invited to fully participate in the opportunities and events in this plan.

We will provide full opportunities for parents with limited English, parents with disabilities, and parents of migrant children, to engage in events at PGE. (Childcare can also be arranged if needed.)

Where is it available?

At the beginning of the year, the Parent & Family Engagement plan is included in the student handbook that is given to all students. The plan is also posted on the school website and social media. Parents can also retrieve a copy of the plan in Rm#210, our Family Resource Center.
