Virginia Y. Stroik

6-8 Grade Spanish

Hello, my name is Virginia Stroik. I am the Spanish teacher at Hampton Middle School. I am very excited about this coming school year, and I am confident that you will not only learn much about the Spanish language and culture, but enjoy it also. You will receive instruction from a native speaker. I was born and raised in Honduras, Central America.

Not only do I teach for a living, I live to teach. Everyone can benefit from learning and it's a lifelong activity. Knowledge levels and quality of life are positively correlated, and I want only the best for my students.
