Assistant Principal

August 3, 2020

Pate's Creek Parents/Guardians and Students,

We are so excited about the beginning of the 2020-2021 school year. We are anxiously anticipating the days when we can all be back together face-to-face. Our teachers have been diligently creating schedules and preparing engaging lessons for all of our students for the upcoming remote learning. We will kick off this great year of learning by "Safely Striving to Succeed!"

In order to ensure that our students have the necessary materials to begin with remote learning August 17<sup>th</sup>, we will have materials and technology pickup days at PCE next week. All students will need to come to the school, according to the schedule below, to pick up the necessary materials to begin the school year.

Students in grades PreK-2 will be issued iPads, and our 3<sup>rd</sup> graders will be issued their Chromebooks to use for remote learning. Newly enrolled 4<sup>th</sup> and 5<sup>th</sup> grade students will also be issued Chromebooks. Students who currently have Chromebooks will also have an opportunity to drop off their Chromebooks for repair if needed. All students will also be picking up their consumable books for math, science, and social studies.

**Please note: In order to pick up materials, the enrolling parent must come with the child and must present a picture ID. Materials will not be released unless the enrolling parent is present with a picture ID.**

On your assigned day, please enter the school parking lot through the main entrance off of Jodeco Road. You will be directed to the pick-up location for your child's grade level, where you will be informed of your child's homeroom teacher. While on campus, you must remain in your vehicle at all times. Do not park in parking spaces or exit your vehicle for any reason. In order to maintain proper distancing protocols, we anticipate there may be a line and a wait during the pickup of the materials. Thank you in advance for your patience. We encourage families to adhere to the CDC recommendations for wearing masks in public and frequent hand washing.

While picking up the student materials, you will also receive a flyer with information about **PCE's Virtual Open House on Thursday, August 13<sup>th</sup>, 5:00 p.m. - 7:00 p.m.** The flyer will provide the Google Meet code for your child's virtual classroom where you can drop in to meet the teacher and hear important information. Please plan to attend PCE's Virtual Open House through your child's iPad or Chromebook!

We are excited to engage with you and your students in the coming days. Thank you in advance for your patience and support as we navigate these newly revised ways of teaching and learning. It is going to be a great year!

Arthur Blevins

A handwritten signature in blue ink that reads "Arthur Blevins". The signature is written in a cursive style.
