Good to Know:

- It's progress report time! Check Infinite Campus for an update of how your student is doing in class. Talk to them about filling out an "application to retake" if you see low grades. They can study and retake most assignments as long as they work for it!
- Wax Museum update: This week we are researching and writing our report and speech on our historical figure.
- This week our reading log should have 15 books by Friday. I have a special box of chapter books that can be read in one day...tell your student to ask for one or three!
