### Good to Know:

- We are still trying to meet our goal of reading one chapter book every week. This is week 12. Check the reading log in the Language Arts Google Classroom to see if your student has 11 books read at this point. By this Friday, they should have 12 books completed. If they are not keeping up, they need to read more than a few minutes each night.
- Our last round of 4-H speeches will take place on Monday, November 4th. You are welcome to stop by from 12:30–1:30 to see your student! I know they have worked very hard on this project and I can't wait to see what they have done! Have them practice their speech in front of you. It should be around 4–6 minutes long. If they are short of that time, they need to slow down and add more info.
- Please consider saving their 4-H posters and taking them to the January 17th competition.
