Good to Know:

- Please sign up for a parent-teacher conference if you haven't already. Thank you to everyone who has met with me! [Sign Up](#)
- If students need to spend a lot of time memorizing their poem for the poetry recital, they may stop reading a chapter book each week until the recital.
- Students need to make a model of a plant cell and animal cell. They DO NOT need to make an edible model...we can make it in class out of random supplies on hand!

Looking Ahead:
