Good to Know:

Don't forget to schedule your parent-teacher conference before October 16. If the days and times on the email sign up don't work for you, just send me an email and we will find a day and time that will!

We go into our Fall Break after this week. When we return, there will only be 2 more weeks left in Term 1. Now is the time to start worrying about grades and asking your students if they have considered studying and retaking assignments for a better grade. After October 11, the retake opportunity will no longer be available for Term 1.
