

2020-2021 Remote Learners

“The Wolverine Way – Unity, Growth, Maturity, Success”

Area of Focus	Unity	Growth	Maturity	Success
Attendance	Wolverines will log in early to classroom Meets so that instruction is delivered to both groups of learners once and one time only.	Wolverines will maintain daily attendance from the start of the instructional day to the end, including IF classes.	Wolverines will remain in the Meet or instructional session for the full duration of the class period. If a session is missed, the Wolverine will access the teacher’s recorded sessions or Google Classroom to make up missed work.	Wolverines be present, productive, and powerful for every class, every day.
Classwork and Deadlines	Wolverines will work and complete assignments in a timely manner so that all Wolverines can master the standards for their grade level.	Wolverines will accept a challenging task as an opportunity to grow and learn through successes and mistakes alike.	Wolverines will adhere to deadlines, utilize instructional time wisely, and will turn in assignments on the designated due dates.	Wolverines will utilize the Instructional Week Ahead and learning opportunities to successfully complete and master all learning opportunities on time.
Collaboration	When given the opportunity, students will collaborate in a mutually respectful way where everyone’s opinion and ideas are equally valued.	Wolverines will utilize collaborative learning opportunities to help one another grow through the exchange of differing ideas.	Wolverines will ensure that collaborative conversation is on topic and focused on the work, not on off-topic conversation.	Wolverines will utilize collaborative opportunities for learning to exhibit mastery of instructional learning targets.
Testing	Wolverines will be provided assessments on the same days and times to ensure that all learners can access their grade level’s instruction during the 2020-2021 school year.	Wolverines will utilize the daily instructional tasks to prepare for tests, not review days and study guides.	Wolverines will maintain their instructional work and learning tasks in an orderly manner to prepare for any upcoming tests.	Wolverines will independently complete and demonstrate mastery on assessments through academic integrity, without utilizing notes, the internet, or any other secondary source on any and all assessments.
Home Learning Environment	Wolverines will designate a home learning environment that can be used daily and with consistency.	Wolverines will ensure that the home learning environment is distraction-free and allows for full focus on learning.	Wolverines will ensure that they develop a home schedule that aligns with the school schedule to attend to classes daily, and on time.	Wolverines will maintain a home learning environment that promotes daily attendance and the consistently successful completion of learning objectives.
Dress Code	Wolverines will adhere to the Dress Code of Henry County Schools as well as the Dress Code for Union Grove Middle School (see below).	Wolverines will utilize their minds, collaboration, and actions as a platform for their voice and not their clothing.	Wolverines will come dressed so that dress code infractions will not result in distractions or a loss of learning.	Wolverines will dress for successful performance, whether it be for PE, Fine Arts concerts, or daily learning activities.
Cell Phones/Personal Technology	Wolverines will utilize personal technology for the purpose of connecting with instruction ONLY if Chromebooks fail to work.	Wolverines will ensure that all work and tests are completed using their Chromebooks so teachers can fully support them.	Wolverines will ensure that personal technology is used as a tool to support learning or connection and not as a distractor.	Wolverines will ensure that learner work product and performance is authentic and not the result of using a personal technology device when not appropriate for learning.

UGMS Dress Code:

1. No bedroom slippers or evening footwear is allowed on campus (rationale: this prevents students from moving swiftly and safely in case the need to evacuate the building arises).
2. No pajamas or evening wear is allowed on campus.
3. For students wearing distressed jeans, no exposed skin above the knee area should be visible while in school. Students may wear tights or clothing underneath the jeans that prevent skin from being exposed.
4. If students are wearing tights, a shirt or blouse should be worn that comes down to the student's fingertips when the student's arms are held down by their side.
5. For shorts, the length of the shorts should not rise above the student's fingertips when the student's arms are held down by their side.
