

WELCOME TO KINDERGARTEN!

We are very excited to be a part of this big beginning in your child's life. Your child will have co-teachers during Night Academy. Our names are Mrs. Colson and Mrs. Lee. We both retired last May and decided to continue to teach as a team.

We both have been teaching for more than 30 years. We are looking forward to getting to know your child and teaching him/her remotely during the beginning of their kindergarten year. We see the child, parent, and teacher as a team. We all have an important role. We will do our best to provide clear appropriate instruction, guidance, as well as keep you informed of your child's progress. Your child's role is to do his/her personal best at all times. Your part is to support your child's efforts and monitor his/her improvement.

Each Monday morning a newsletter will be sent to you. The Newsletter will give you information about the upcoming week with all-important information. You will find the newsletter and many other important class information on our web page: <https://schoolwires.henry.k12.ga.us/Domain/3172>.

We will also communicate information through email and ClassDojo (more information to come regarding this). You can also email us with any questions or concerns.

Please email one of us using the below email address. Attach your child's name to the email so we can generate a class distribution list.

Mrs. Colson: icolson@henry.k12.ga.us ☎ 678-390-4613

Mrs. Lee: deblee@henry.k12.ga.us ☎ 678-390-4972
