The Henry County Board of Education recognizes that district facilities are substantial investments that can serve various community needs. Therefore, the Board permits the use of certain facilities and grounds according to the requirements specified herein. Henry County Board of Education policy KG, Use of Facilities, is comprised of the following three subsections: Use of the Performing Arts Center; Use of the School Board Auditorium; and Use of School Facilities.

I. USE OF THE PERFORMING ARTS CENTER

The purpose of the Henry County Performing Arts Center is to provide a site for school system performances, particularly those in which students are the primary or majority performers. Priority for use of the facility will be given to school performance organizations that can best benefit from the specialized resources available in the Performing Arts Center. Approval for use of the Performing Arts Center will be based on availability and the provisions of this policy.

A. Establishment of Scheduling Priorities

Reservation requests for use of the Performing Arts Center will be submitted annually during a priority reservation period. Following the priority reservation period, all requests will be scheduled on a first-come basis. The Performing Arts Center (PAC) Supervisor is responsible for all scheduling.

Scheduling priorities shall be as follows:

First Priority: School district events such as the Teacher-of-the-Year/HERO ceremony.

Second Priority: School events such as school drama and music productions.

Third Priority: Government events such as public meetings of local or state agencies.

Fourth Priority: Civic/not-for-profit events such as meetings of civic organizations serving the Henry County community.

Fifth Priority: Commercial/for-profit events such as meetings held by local legal entities.

B. Procedure for Scheduling Events

1. Scheduling School Performance Events

To submit a reservation request for a school event, the school principal or designee will submit the official reservation request within the priority reservation period. The scheduling priorities will be followed until the master schedule is completed. All requests
will be scheduled in the order received using any preferred or alternate date requests in order to maximize facility utilization and resources.

 Preferential scheduling for school performance events shall be as follows:

**First Priority**: High School and Middle School Theater Productions
Examples include one-act plays prepared for region competition, full-length dramas, and musicals. Student-directed one-act plays are not to be submitted under this category. Schools may request one theater performance per semester with each request not to exceed five days. Requested dates may be adjusted to maximize resources and space efficiency during periods of high demand.

**Second Priority**: High School and Middle School Performing Arts Ensembles
Examples include concerts by band, chorus, orchestra, and other performing arts groups where a performance is the primary purpose of the reservation.

**Third Priority**: Elementary School Performance Ensembles
Examples include chorus, drama, or grade-level music performances where a performance is the primary purpose of the reservation.

**Fourth Priority**: Other School Events
Examples include awards programs, honors assemblies, Kindergarten programs, pageants, fund-raising events, counseling meetings, and other non-performance programs.

**Required Supervision**: At least one school administrator will be present at any public performance event associated with their school. To ensure a safe and orderly event environment, additional administrators and/or security personnel may be required by the PAC Supervisor.

2. **Scheduling Visual Display Events**

Certain areas within the Performing Arts Center may be designated for the display of visual arts. Priority will be given to display of student-created artwork. To schedule visual display events, the principal or designee will submit the official reservation request form within the priority reservation period. The standard period of time for which each visual display event will be scheduled is fourteen days. This standard period may be lengthened or shortened at the discretion of the PAC Supervisor in order to accommodate the needs of schools as well as the Performing Arts Center.

3. **Scheduling Government Events**

By virtue of an agreement between the Henry County Board of Education and the Henry County Board of Commissioners, the Board of Commissioners and its entities have priority for use of the Performing Arts Center for public purposes at such times when the Performing Arts Center is not scheduled for school-related events. Upon receipt of an official reservation request, the PAC Supervisor will identify available dates. If no date is available which will accommodate the event, previously scheduled non-school events may be rescheduled or canceled at the discretion of the Superintendent. Should an event be canceled, liability for said cancellation shall be limited to a refund of lease fees.

4. **Scheduling Civic/Not-for-Profit Events and Commercial/For-Profit Events**

When all school and government events have been scheduled, reservations may be opened to other groups on a first-come basis. Upon receipt of an official reservation request, the PAC Supervisor will identify available dates. At the discretion of the PAC Supervisor,
proposed events that satisfy the purposes of the Performing Arts Center may be placed on the master calendar as available dates allow. The Board of Education makes no guarantee that any dates will be available.
