

STUDENT LEARNING DEVICE (CHROMEBOOK) ACKNOWLEDGMENT

Please sign and return this form to your child's school as soon as possible.

Henry County Schools is excited to provide a Chromebook for all students in grades 3 -12.

By signing and returning this form, parents/guardians acknowledge the responsibility for students to use the Chromebook at school and home in accordance with the Student Handbook.

NOTE: If you have already completed the acknowledgment process online (www.myschoolbucks.com), this form is not required.

Device Protection and Insurance Information

- **At no cost to parents/guardians**, the district has provided a protection plan that covers accidental damage.
- **As an available option**, parents/guardians may go online to www.MySchoolBucks.com to purchase a Technology Protection Plan which covers Chromebook theft and non-covered damages. This is not a requirement for device usage in or outside of the school. The fee for this optional plan is waived for students who receive free lunch and is reduced for students receiving reduced lunch pricing.

Additional information related to the Student Learning Device Program can be found at
