**Dear SES Parents,**

**My name is Annemarie Moore, and I am the Parent Involvement Professional for Stockbridge Elementary School. I am very excited to have this opportunity to work with you and your family.**

**I will serve as the liaison between school and parents. I have the responsibility to relay the needs of one to the other. I will serve as a school-based contact for concerns and comments made by parents and community members, promote sharing of power with parents as decisionmakers, and very importantly, help parents understand the educational system so that they may become better advocates for their children's education.**

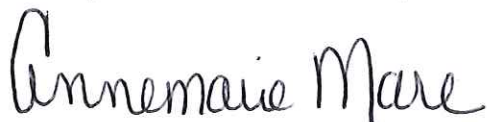

**I invite all parents to share ideas and ways to involve other parents to build partnerships with school, families, and the community. Parents can also submit their ideas or suggestions during all activities and meetings as well as through our parent surveys and website.**

**Stockbridge Elementary is committed to helping our parents and families. We are excited to provide a variety of academic events throughout the year to promote learning and community. I will invite all families to these upcoming school events. Please join us!**

**We also have a Family Center here at SES where there are resources that you can check out to use at home with your student. If you would like to find out about these resources, please email or call me so we can set up a time to chat.**

**I am looking forward to getting to know all of our SES Families. I remain available to you at your convenience and if you have any questions or concerns, I can be reached at (770) 474-8743 or by email [Annemarie.moore@henry.k12.ga.us](mailto:Annemarie.moore@henry.k12.ga.us)**
