Dr. Tina M. Roberts

DTM Consulting Group LLC

To Derrick Thomas:

This is a letter of interest to join the School Council for Woodland Elementary. I am currently a parent of a Kindergartener, Hakeem Roberts, and soon to be upcoming WES student, Aamir Roberts, who is 4-years-old. I have been a Registered Nurse for over 18 years, work as a Nurse Consultant, and currently have my own business. I am an advocate for education as noted by my title in pursuing the highest level possible. I am involved in the community by helping to work COVID vaccine and testing clinics to help keep members safe and healthy. I also have a daughter who is a Sophomore in College on an Academic and Athletic Scholarship at Marian University in Indiana. I have worked hard to instill respect, education, morals, and values in my children.

I am interested in joining the School Council to impact current processes and structure. I feel that I am more than capable of joining due to my experience as a student and healthcare professional. I can provide insight especially during a Pandemic and convey the sentiments of a parent. This is a difficult time for the education systems and parents to made decisions that will impact the unknown considering current issues of to vaccinate or not, attend school face-face or not, and to even wear a mask. Members of the School Council must possess the skills of communication, empathy, comprehension, and remain impartial to make tough decisions and implement new designs in providing education. I possess all the forementioned skills and look forward to joining an influential group if permitted.

I look forward to hearing from you. I can be reached via cell (765) 586-8611 or email dtmconsultgroup@gmail.com.

Thank you for your time.

Best,

A handwritten signature in black ink that reads "Dr. Tina M. Roberts". The signature is written in a cursive, flowing style.
