PLEASE NOTE: Your library card provides access to a world of educational and entertainment options. Just like the physical library, our digital library contains something for everyone. Not all content is appropriate for children, and not everything will align with your family values. We strongly encourage parents and caregivers to monitor what your children are reading and viewing.

If you have a library card but it is expired, or if you need help with your PIN or passwords, call 678-432-5353 and someone will return your call within 2 hours.

If you do not have a card and have never had a PINES library card,

email getacard@henrylibraries.org and we will be happy to provide a temporary access card that will be good for 60 days.

New digital resources are added regularly. Please follow Henry County Library System for updates:
