

Math

**Math Workbook: Module 11 Lesson 1 -
Lesson 4**

Pages 267 - 286

Optional Activities to Support or Accelerate Learning

Remediation (Harvel/Eadie): Watch the video to review counting to 100.

<https://www.youtube.com/watch?v=OTgLf3PMOc>

Watch this video to help you complete your subtraction assignment:

<https://www.youtube.com/watch?v=qM7B2nwpV1M>

Acceleration (Perryman):

Learning Target (1.OA.3) I can apply properties of operations and the relationship between addition and subtraction.

Task: Use candy or cereal to complete task. Place 20 items in the center of the table. Use the following prompts: There are _____. If I take away _____ I will have _____. Then take away items and count to ensure the correct answer. Partners alternate until no items are left on the table. Repeat with addition. If I add _____ I will have _____. Continue until all 20 items are back on the table.

Daily Reading

Read 20 minutes using books that have been provided for your child at his/her level.

Practice these sight words!

and
it
is
to
have
he
can
my
you
she

Then watch the sight word song!

<https://www.youtube.com/watch?v=E0vWOWlfiTs>

Practice your sight words from your list.

Science

Animal Characteristics

<https://www.youtube.com/watch?v=dkjFa9uoGEk>

In your homework journal, draw one animal with fur, one with feathers, one with scales, one with a beak, and one with fins. Label each animal.
