

Sam had seven cookies.

He gave his best friend three cookies.

How many cookies does Sam have left?

$$\underline{\hspace{2cm}} - \underline{\hspace{2cm}} = \underline{\hspace{2cm}}$$

Rob had two cupcakes.

He gave his little sister one.

How many cupcakes does Rob have left?

$$\underline{\hspace{2cm}} - \underline{\hspace{2cm}} = \underline{\hspace{2cm}}$$
