October 23, 2020

HCS Families,

We have come to the end of another productive week in Henry County Schools and another successful week of providing a hybrid learning model for our school community. There is no doubt that there is nothing simple about this season, but we can take pride that we continue to navigate it together.

On Monday, October 19, the Henry County Board of Education set the date for the start of our final phase of our return to on-campus learning. Starting Monday, October 26, high school students whose families chose for them to return to campus will now discontinue the split schedule and begin attending classes in their school building five days a week. This final step in the transition is only possible because of our incredible teachers and staff, our strong partnership with our medical community, and the continued stability of our COVID-19 health metrics. To view the metrics, which are updated weekly, you can visit the district website and click on the COVID-19 dashboard link on the left-hand side of the homepage.

Thank you for your patience and understanding as we continue to navigate this season together. It's hard to believe that we have completed our first quarter, and we celebrate with you the accomplishments of your student at the end of this nine-week period. Remember that you can find important updates to conclude this first quarter in our Quarterly Connection. [Click here](#) to read about highlights, important updates, and information on our district.

Have a great weekend.

Sincerely,

Mary Elisabeth Davis
