

The STEM Scoop

STEM-tastic News

“Cultivating Citizens of Change through STEM Innovation “

Pleasant Grove Elementary School achieved another milestone STEM Certification. In October, the school earned recognition as a **Cognia STEM Certified School**. This is an International STEM Recognition! Congratulations to all PGE administrators, teachers and students for a job well done!

PGE Shining Stars

STEM in Action

Collards, and Radish and Beets- Oh My!

PGE Students have been super busy planting in the PGE Outdoor Classroom. They have planted radish, beets, carrots, and broccoli. They also have turnips and collards growing in the PGE Outdoor Classroom. We cannot wait to harvest all of these delicious veggies😊

Title I News

This month we are celebrating YOU, our Wolf Pack family! Thank you for going the extra mile and working with your child(ren)at home. We know it is not easy sometimes, but you are giving it all you got and for that, we appreciate you 😊

This month is all about the fun and highlighting our amazing parents & all you do from home.

Our calendar is full of **Family group Activities** (Family member + Student. Check out the Escape Rooms, Virtual Field Trips and Kahoots. Stay tuned for our Family Talent Show FlipGrid!

Once you complete an activity, take a screen shot or picture of you and your student doing this activity together.

Send through Class Dojo, Tag us on social media (@pge_hcs), use the hashtags #PGE_HCS #OnePack or send it to Mrs. Perrier to claim your

FAMILY ENGAGEMENT IFEI TOKEN!

Contact Mrs. Perrier if you have any questions
