You are cordially invited to celebrate Person Centered Thinking and Practices at

The Fifth Annual Georgia Gathering
October 9th and 10th, 2014

*The Georgia Gathering* includes:

- **The Learning Marketplace**…where the seekers and sharers come together informally to discuss issues of common interest. This is set up at the Gathering.

- **The Gallery Walk**…where Person Centered Organizations share, poster-session-style, a story or strategy.

- **Plenary Sessions**…where key presenters share person centered practices, which focus, on enhancement of individual supports and organizational performance.

- **Breakout Sessions**…where seekers and sharers share information, focus on using specific PCT Tools.

**Opportunities to Network, door prizes…and much more!**
