

EXTENDED LEARNING SUMMER PROGRAM

Purpose of Program

To provide academic support in the areas of Mathematics and Reading to students attending a 2016-2017 Title I School.

Program Dates

June 5th—June 16th, 2017

Program Times

8:00am—2:30pm

Program Eligibility

Each school will use multiple student data to determine which students will be eligible to participate. Once all students are ranked, schools will contact all eligible student's parents with registration information.
