Sample of a SLC script:

Student ____________________________________________________________

Introduce guest(s) to the advisor

Introduction

I want to thank you for taking time to come to my conference. This is an opportunity for me to share who I am as a learner.

Here is my progress report(s) (or report card)
(student reads through the report)

I know that a strength of mine is ____________________________ and that I need help with ____________________________ in most of my classes.

One strength I have is _______________, because ____________________________

One need I have is _______________, because ____________________________

My portfolio (or presentation) contains work from my classes, including my most rewarding and most challenging pieces that I wanted to share at my conference.

About my work...

1. I will start by telling you about my most rewarding piece of work. It is most rewarding because______________________________

______________________________________________________________
A learning goal we focused on was ____________________________________________.

This sample of work shows I met this learning goal, because I am able to _______ ____________________________________________.

2. My most challenging piece of work is _______________________________. It is most challenging because ____________________________________________.

A learning goal we focused on was__________________________________________

This sample of work shows I met this learning goal, because I am able to _______ ____________________________________________.
Goals

Academic:

What I will do to improve my success in my most challenging class(es) ______________
___________________________________________________ ______________
___________________________________________________ ______________
___________________________________________________ ______________
___________________________________________________ ______________.

Character:

One thing I will do to improve my performance is ____________________________
___________________________________________________ ______________
___________________________________________________ ______________
___________________________________________________ ______________
___________________________________________________ ______________.

Ask: Do you have any questions or feedback?

Conclusion

After looking at the progress report and getting feedback from the listeners, conclude the presentation by saying:

Thank you for supporting me by coming to my Student-Led Conference.
