

SAMPLE BENEFICIARY DESIGNATIONS

The beneficiary wording should be absolutely clear and without question as to whom the proceeds are to be paid. Listed below are sample beneficiary designations. Please note state laws may prohibit naming certain entities and individuals as a beneficiary. If you live in a community property state, you should obtain the signature of your spouse if your spouse will not be named as a primary beneficiary. Community property states currently include: AZ, CA, ID, LA, NM, NV, TX, WA and WI.

To ensure the correct individual or entity receives the benefits and the intended benefit amount, please provide the following:

- The beneficiary's social security number, tax identification number and date of birth.
- Distribution of proceeds should be shown in fractions or percentages if multiple beneficiaries are designated. Do not list dollar amounts as the amount of the insured's life benefit may change. If no distribution is shown, benefits will be divided equally among the living beneficiaries.
