

Ola Middle School Parent Teacher Organization Membership 2020-21

The start of school this year will be very different than what we have historically experienced. We are all aware of the district's decision to begin the school year virtually due to the pandemic, and while this may or may not be ideal for all families, all families are adjusting to accommodate these changes.

Teachers and administration are working diligently to prepare for remote learning – as well as the day we return face to face. This school year will present new challenges by all those in education: students, parents, teachers, staff & administration. We ask that you join us in building a strong, inclusive school community. One way you can do that...

Please join the OMS PTO today!

Membership dues will be used for teacher appreciation events, to supplement classroom supplies, for the end-of-year awards, among other needs. Our goal this year is to support our school in any way we can.

Unlike years past, our reliance will weigh more on monetary donations, as the usual food & supply parent donations will not be a supplemental option due to the new protocols to prevent the spread of Covid-19.

NEW! This year we are we have moved to **electronic** donations, *choose 1 of 3 options.*

Please choose a donation amount: \$10 \$15 \$20 \$ Other

Include in the Memo of payment your Child's Full Name & Grade Level
