Remote Learning Expectations and Requirements for Students and Parents

Attendance

School Hours: 8:10 a.m. – 3:15 p.m.

- Be mindful that you are not on a break from school. You are learning from home.
- The expectation is that every student logs in during the designated time for each class for synchronous (live) sessions.
- Students will be required to log-in to the IC Student Portal and click the button “daily student check in” to mark themselves present to each class period at the designated time.

Synchronous (live) sessions:

- Students who log into their Google Meet for the period will be counted present in IC for that period.

Asynchronous (recorded or independent) sessions:

- Attendance for asynchronous teaching and learning will be captured by students logging into the online platform and completing a daily participation-based action required by the teacher.
- Students who do not log-in and complete the daily participation based activity will be marked absent in IC for that period.

Absences:

- If a student is absent from remote learning for an excused reason, submit your excuse note to the following email address: beverly.adair@henry.k12.ga.us
