

DMS 2020 Virtual Fall MAP Testing Schedule

Parent Information: MAP is an assessment that is given three times a year to measure your scholar's academic growth over time. MAP enables your scholar's teacher to tailor instruction to meet his/her academic needs. You will receive additional information on how you can access your scholar's MAP progress report once testing concludes. We will conduct MAP testing at the times indicated below. Please ensure your scholar logs into to his/her homeroom Google Classroom and attend the Google Meet session for MAP testing at the times indicated below. Scholars will test in groups based upon his/her last name. If a scholar (group b) is not testing on Thursday they will need to submit their attendance via Infinite Campus for each class period. Scholars (group b) will follow their class schedule and access their work from Google Classroom. Please access our school website to view additional MAP information and resources for at home support.

Thursday, August 27th, 2020				
Grade Level	6th Grade	7th Grade	8th Grade	Connections
Planning	8:15-8:45	8:15 5-8:45	8:15-8:45	8:15-8:45
