OLA HIGH SCHOOL  
357 N OLA RD  
MCDONOUGH GA 30252-5621

Principal of OLA HIGH SCHOOL,

On behalf of the United States Air Force Academy, I wish to extend an invitation to your high school or community college to participate in our Influencer Workshop. We are looking for those educators/counselors who work directly with students on making college choices.

The primary purpose of this workshop is to familiarize educators with Air Force Academy entrance requirements and admissions procedures, as well as the academic, military training and athletic programs conducted by the Academy in developing leaders of character for our nation.

The Air Force Academy is located at the base of the Rocky Mountains just north of Colorado Springs, Colorado. Our scholarship is available to only a select few outstanding students. It consists of a four-year Bachelor of Science degree, a commission as an officer in the United States Air Force, and an opportunity to work in a variety of Air Force career fields.

In return for a four-year education and a monthly salary of more than \$700 per month, a student will have an obligation to serve our country. The length of the obligation will depend upon which career path he or she takes. They may proceed directly into pilot or navigator training or they might qualify for an immediate Air Force-sponsored graduate education program.

We sincerely hope that you can join us for this outstanding opportunity to experience the United States Air Force Academy first-hand.

The Workshop will be held at the Atlanta Convention Center at AmericasMart, 240 Peachtree Street NW, Atlanta, Georgia 30303 on Friday, April 19<sup>th</sup> 2013 from 8:00 a.m. to 4:30 p.m (with an optional lunch with Academy Representatives from 12-2). Please R.S.V.P. to [Forum@Usafa.edu](mailto:Forum@Usafa.edu) via email by April 11<sup>th</sup> 2013.

Sincerely

CAROLYN A.M. BENYSHEK, Colonel, USAF  
Director of Admissions
